Re: Cease and Desist from Invasion of privacy

Dear Sue Hulsebus and Micheal Wilson,

I am writing to formally demand that you cease and desist from you tracking any corespondents to me by using any Nevada Assembly technologies without my write consent , e.g., . It has come to my attention that emails are going out and tracking my activated witch in an invasion of my privacy.

I require that you immediately stop any Invasion into my privacy and anyone in the assembly until you have an email or letter with my autograph and seal or the people in the assembly. Also to confirm in writing by 10 days from the date of the letter that you have complied with this demand and stopped tracking people in the assembly.

Failure to comply with this request will leave me no option but to pursue all remedies available to me and the assembly with the federation, including seeking damages to the body politics. Please consider this letter a formal notice. I hope this matter can be resolved amicably and promptly.

Sincerely,
William Rockie Roper©
